

# HIRING: IRISH DANCE INSTRUCTORS

**Job Opportunity:** FSID is seeking accomplished Irish dancers to join the teaching staff at the Fitzpatrick School of Irish Dance in Lake Forest, IL. Teachers must have significant Irish dance competitive and performative experience and enjoy working with children, especially new and beginner Irish dancers. Our school is still new; all our dancers are younger than 12 years of age and just a small group competes. We are looking for teachers who are interested in helping our young school grow and progress. This is a great opportunity for former dancers who want to share their love of Irish dance with others and experience the impact of their instruction firsthand.

This is a paid hourly position with a flexible week-to-week schedule up to 20 hours per week. Classes run in 3-month sessions.

**Job Location:** Classes are held at Gorton Center in Lake Forest (1/2 block from downtown Lake Forest train station) on afternoons and weekends.

**About the Fitzpatrick School of Irish Dance:** We empower our dancers with the skills and confidence to learn, perform, compete and, above all, bring JOY to others through Irish dance. There is sufficient demand to expand classes, private lessons, and locations across the North Shore, including the potential to own new Beginner class locations.

**To apply:** Email resume and cover letter to Katie Fitzpatrick T.C.R.G. at [fitzpatrickschoolofirishdance@gmail.com](mailto:fitzpatrickschoolofirishdance@gmail.com).

**Questions:** Email or WhatsApp Katie at 630-205-8107.
